

Marley uPVC 65x50mm Rectangle Downpipes

Roof Pitch	Maximum Roof Area served per downpipe (m ²)
0° – 25°	60
25° – 35°	50
35° – 45°	40
45° – 55°	35

Marley 65x50mm rectangle downpipe is manufactured from uPVC. It is extremely tough and long lasting, requires little maintenance and is UV resistant. Marley 65x50mm rectangle downpipe is available in 3m lengths. Please note these lengths do not have a socket end so jointing sockets are required.

Colour Range

WHITE

Fixing Options

Stand Off Bracket - Offers flexibility of movement vertically on uneven surfaces such as weatherboards whilst retaining a gap between the back of the pipe and the wall/fixing surface which is also ideal for narrow soffits.

Flush Bracket - Offers flexibility of movement vertically whilst retaining the pipe flush to the wall/fixing surface which is ideal for smooth cladding styles.

Components Available

95 degree socket bend

112 degree socket bend
